Thoro Recognized for Creating Award-Winning Packaging

Paperboard Packaging Council honors Thoro with special award

Corona, CA October 29, 2013 (Press Release) Winners of the North American Paperboard Packaging Competition were honored in Dallas this week.

Thoro Packaging earned two awards this year; a Gold Award for the Medical Design & Manufacturing Tradeshow Self Promotional and The Judge's Award for the 2012 Christmas Self Promotional. This is the first time in the competition's 70 year history that the judges decided to honor an exceptional example of paperboard packaging with a special Judges' Award.

The competition, sponsored by the PPC, is a celebration of the industry and its creative potential. Out of the tens of thousands of paperboard packages introduced in the North American marketplace, fewer than 200 were deemed by leading converters to be worthy of entry into the PPC competition. From these, winners were chosen based upon the decision of an expert panel of judges selected by the PPC.

The Paperboard Packaging Council is the leading trade association serving suppliers and converters of all forms of paperboard packaging,
