Corona, California, October 11, 2017– The Inland Empire Center for Entrepreneurship (IECE) at Cal State San Bernardino announced the finalists for this year’s Spirit of the Entrepreneur Awards program. 27 entrepreneurs were selected from a pool of nearly 200 nominees. The 32 semi-finalists participated in a reception on September 28 sponsored by RP&B CPAs, where they interacted with the event judges. Immediately following the reception, the judges convened to select the finalists. The finalists for the event will compete for the Spirit of the Entrepreneur award in eight (8) different categories at the 15th annual awards black-tie gala on November 14 at the Riverside Convention Center. Winners will be announced at the event.

Janet Steiner, President of Thoro Packaging, is among the esteemed group of finalists in the Family Business category. “As an active member of the local business community, I could not feel more honored to be finalist in the company of such an amazing group of entrepreneurs,” commented Steiner.
